## 2018 Getting Connected Program

Dear Parents, Caregivers and Students

As you may know, last year the Student Leadership Cabinet started the Getting Connected Program. This program is for children who feel nervous or upset about coming to school or leaving their parents in the morning.

The Getting Connected Buddies help children who feel nervous about coming to school. They will spend time with your child and complete fun activities with them, so they feel more connected to other students in the mornings. It is also a great opportunity for them to build new relationships with other students, so that they can have someone else to ask for help or play with, if needed.

This year the Student Leadership Cabinet will be continuing the Getting Connected Program. The program will start at the beginning of Term 2.

The Getting Connected Program will be on in the mornings between 8:35 and 8:55 and will be held in shaded infants seating area.

We invite all students who would like to be a either a Getting Connected Buddy or wish to join the program, to please fill out the form below and hand it in via the office bag by Friday 6 March.

Yours Sincerely

The St Finbar's Leadership Cabinet
