How to contact us if there is a need:

Digital Cameras

- Students love to take photos and record their experiences at camp. We invite students to bring a small camera with them. All responsibility and care of a camera lies with the student. Staff are unable to mind cameras and carrying a camera is the student's choice.
- The use of cameras needs to be appropriate at all times. As we will be staying together as a grade, students need to be responsible and respect the privacy of their peers that they are sharing a room with.
- After the last activity of the day the teachers will collect the cameras and store them safely throughout the night.

Kind regards,

Stage 3 Teachers
